Accounting in Australia (RLE Accounting): Historical Essays (Routledge Library Editions: Accounting)

The history of accounting in Australia is of interest because it provides an opportunity to examine how accounting techniques, institutions and concepts have been imported and adapted to an environment similar to, but not exactly the same as that of the exporters. The book emphasizes private sector accounting over public sector accounting which is a reflection of the available literature but not of the real world of Australian accounting and is divided into 7 sections:

- Early Accounting Records
- The Financial Year
- Corporate Financial Reporting
- Audit
- Professional Accountancy
- Accounting Literature
- Biographies and Bibliographies
