## Afield: American Writers on Bird Dogs

This marvelous collection features stories from some of America's finest and most respected writers about every outdoorsman's favorite and most loyal hunting partner: his dog. For the first time, the stories of acclaimed writers such as Tom Brokaw, Howell Raines, Rick Bass, Sydney Lea, Jim Harrison, Tom McGuane, and Chris Camuto, come together in one collection. Hunters and non-hunters alike will recognize in these poignant tales the universal aspects of owning dogs: companionship, triumph, joy, forgiveness, and loss.

The hunter's outdoor spirit meets the writer's passion for detail in these honest, fresh pieces of storytelling. Here are the days spent on the trail, shotgun in hand with Fido on point—the thrills and memories that fill the hearts of bird hunters. Here is the perfect gift for dog lovers, hunters, and bibliophiles of every makeup. This is a delightful, handsome volume that captures the wild spirit of dogs and those who love them.

Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bow hunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
