**Dear Amy** Helen Callaghan

*In Helen Callaghan's chilling, tightly-spun debut novel of psychological suspense, a teenage girl's abduction stirs dark memories of a twenty-year-old cold case...*

Margot Lewis is a teacher at an exclusive high school in the English university town of Cambridge. In her spare time, she writes an advice column, "Dear Amy", for the local newspaper.

When one of Margot's students, fifteen-year-old Katie, disappears, the school and the town fear the worst. And then Margot gets a "Dear Amy" letter unlike any of the ones she's received before. It's a desperate plea for rescue from a girl who says she is being held captive and in terrible danger—a girl called Bethan Avery, who was abducted from the local area twenty years ago...and never found.

The letter matches a sample of Bethan's handwriting that the police have kept on file since she vanished, and this shocking development in an infamous cold case catches the attention of criminologist Martin Forrester, who has been trying to find out what happened to her all those years ago. Spurred on by her concern for both Katie and the mysterious Bethan, Margot sets out—with Martin's help—to discover if the two cases are connected.

But then Margot herself becomes a target...

Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, the book you have read is Dear Amy.

#### Lauren Veach:

Reading can be called brain hangout, why? Because when you are reading a book mainly book entitled Dear Amy your mind will drift away through every dimension, wandering in every single aspect that maybe unidentified for but surely can be your mind friends. Imaging every single word written in a publication then become one form conclusion and explanation in which maybe you never get previous to. The Dear Amy giving you an additional experience more than blown away your thoughts but also giving you useful data for your better life with this era. So now let us show you the relaxing pattern is your body and mind will probably be pleased when you are finished reading it, like winning a. Do you want to try this extraordinary investing spare time activity?

#### William Henderson:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Dear Amy can make you truly feel more interested to read.
