God's Revolution: Justice, Community, and the Coming Kingdom Eberhard Arnold

Do you feel powerless to change the injustice at every level of society? Are you tired of answers that ignore the root causes of human suffering? This selection of writings by Eberhard Arnold, who left a career and the established church in order to live out the gospel, calls us to a completely different way.

Be warned: Arnold doesn't approach discipleship as the route to some benign religious fulfillment, but as a revolution - a transformation that begins within and spreads outward to encompass every aspect of life. Arnold writes in the same tradition of radical obedience to the gospel as his contemporaries Barth and Bonhoeffer.
