*What if you could live the "what if" in your life?*

Pamela Drury is in crisis. As she enters her thirty-fifth year, she is struck by the realization that she has made a complete mess of her life. Sure, she's traveled the world, has an award-winning career, and owns real estate. So why does she have the overwhelming feeling that she missed the boat to love and happiness? What happened to Mr. Right? Pamela comes to the miserable conclusion that she let him go when she turned down Robert Dickson thirteen years ago.

Racked with regret and at the brink of despair, Pamela magically collides with someone who is about to change her life: herself. The Pamela who *did* marry Robert Dickson all those years ago....

Pamela No. 2 comes complete with Robert, three children, two goldfish, and a dog. Astonished to meet her alternate self, Pamela is further stunned when Pamela No. 2 vanishes, leaving Pamela stranded in the married life...with funny, revealing, and often poignant consequences.

Australian screenwriter/director Pip Karmel, creator of the internationally acclaimed film *Me Myself I*, showcases her sparkling talent in this wry and affecting novel.
