Noise. Hurry. Crowds. heartens the Christian student to swim upstream against the culturally normative

distracted life into the beauty and bounty of the with-God life. Through practical insights,

students will be strengthened for the small wins that establish the practices of silence, Sabbath, solitude, and simplicity. This is a potent summons

to today's college student to sow the proper seeds for the peace of God to rule over the chaos of life."

Director of Christian Formation & Ministry, Biola University
