## Shakespeare: The Late Plays (Analysing Texts) Kate Aughterson

What makes Shakespeare's late plays so special? Through detailed analyses of key passages, Kate Aughterson shows how these plays portray a world of political intrigue, familial chaos and crisis, which teeters continually into tragedy: a world we can recognise today.

Part I of this engaging study:

- provides stimulating close readings of extracts from *The Tempest*, *The Winter's Tale*, *Cymbeline* and *Pericles*
- examines major topics such as openings, endings, familial roles, stage properties, spectacle and song
- offers suggestions for further work and summarizes the methods of analysis.

Part II supplies essential background material, including:

- detailed accounts of Shakespeare's literary and historical contexts
- samples from important critical works and performances.

With a helpful Further Reading section, this illuminating volume is ideal for anyone who wishes to appreciate and explore Shakespeare's late plays for themselves.
