The Romantics Peter Brandvold

The Romantics is a thrilling adventure shot through with danger and heroism, with greed and jealousy, and with love and honor.

The daughter of a Hispanic landowner, Marina Clark has been given a map that purports to lead the way to a hidden cache of Spanish gold. To her husband, Adrian, his beautiful wife and her map are the keys to restoring his family's fortunes and honor, both lost during the Civil War.

The Clarks' guide through sun- and sand-blasted lands of what will one day become the American Southwest is Jack Cameron, a deadly shot who has won fame as an Indian scout. It should be an easy trip, assuming they can avoid marauding Apaches and greedy Mexican rurales.

But the Clarks are not the only ones seeking the gold. Gaston Bachelard, a former Confederate Army officer turned bandit, is hot on the Clarks' trail, eager to use the Spanish gold to fuel a revolution in Texas. Bachelard will kill anyone who stands in his way.

From reader reviews:

Lucas Florio:

Inside other case, little individuals like to read book The Romantics. You can choose the best book if you want reading a book. Provided that we know about how is important a new book The Romantics. You can add knowledge and of course you can around the world by the book. Absolutely right, because from book you can know everything! From your country right up until foreign or abroad you may be known. About simple matter until wonderful thing you are able to know that. In this era, we can open a book or maybe searching by internet gadget. It is called e-book. You need to use it when you feel fed up to go to the library. Let's read.

Ann Edwards:

Often the book The Romantics has a lot associated with on it. So when you check out this book you can get a lot of advantage. The book was written by the very famous author. This articles author makes some research previous to write this book. This book very easy to read you can get the point easily after scanning this book.

Ronald Peyton:

Do you have something that that suits you such as book? The publication lovers usually prefer to pick book like comic, quick story and the biggest an example may be novel. Now, why not trying The Romantics that give your fun preference will be satisfied by means of reading this book. Reading behavior all over the world can be said as the way for people to know world a great deal better then how they react towards the world. It can't be claimed constantly that reading addiction only for the geeky man but for all of you who wants to be success person. So , for all of you who want to start reading as your good habit, you could pick The Romantics become your starter.

Carlton Wood:

This The Romantics is great reserve for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This book reveal it info accurately using great manage word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with lovely delivering sentences. Having The Romantics in your hand like keeping the world in your arm, info in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen tiny right but this publication already do that. So , this really is good reading book. Hey there Mr. and Mrs. occupied do you still doubt that?
