Blush sensuality level: This is a suggestive romance (love scenes are not graphic).

While doing research for her doctoral thesis, Lexie Anderson stumbles across a secret passageway connecting the ruins of Wyndham Abbey to the sea. But during her search Lexie is suddenly transported back in time to a crucial moment in the life of Wyndham Abbey and its owner, the ruggedly handsome Earl of Wyndham.

The Earl of Wyndham is taken aback by the mysterious stranger who appears in the secret passageway under his home. Her odd clothes, unusual accent, bizarre manners and totally different attitude about the relationship between men and women force him to realize she is a stranger to the area...and from the future.

With Lexie's knowledge of the future and desire to solve an ancient mystery, they embark on a mission that develops into a love so great that not even time can keep them apart.

A Blush® Regency time-travel romance from Ellora's Cave

Publisher's Note: This book was previously published elsewhere under the title A Touch of Forever in 1992.
