## **Form And Substance In The Religions (Library of Perennial Philosophy)** Frithjof Schuon

The modern world is characterized by its fascination with relativity and individualism. Into this morass, the writings of Frithjof Schuon enter like a bolt of lightning that both clears the air and brings serenity in its wake. The perspective of the perennial philosophy restores a sense of proportion in affirming the transcendent Real and then draws all the consequences spiritually and humanly, as well as aesthetically on the plane of forms.
