Billy Roberts

In the Shadow of the Cross: The Greatest Conspiracy of All Time Billy Roberts

The Shadow of the Cross dispels one of the greatest myths of all time, that Jesus did not die on the cross, and in fact lived on to continue his ministry.. The author makes a detailed analysis of the secret life of Jesus, that was known to the early Christians and which was suppressed later by the Church of Rome. Did Jesus really travel incognito under the name of Yuz Asaph? Did he really marry Mary Magdalene and father her children? Many religious scholars and historians believe that a 2000 year old tomb in Srinagar, Kashmir, known as the Rozabal, was the final resting place of Jesus, 'The Prophet of the Book'. In the Shadow of the Cross explores the scientific as well as the historic facts, bringing to light a truth that has lain buried beneath 2000 years of falsehood, and which culminates in the greatest conspiracy of all time.
