Kirk Douglas

Life Could Be Verse: Reflections on Love, Loss, and What Really Matters Kirk Douglas

For his 98th birthday, Kirk Douglas offers us an intimate look into his life. Through a collection of poetry, prose and photographs, he pulls the curtain all the way back exposing the bombs and blockbusters of both the personal and professional aspects. From uncomplicated poems written for his beloved wife, Ann, of 60 years, to poems written for his four boys when they were still small, Douglas' words are comical, sentimental, romantic, and sometimes painful. He chaperones us through the stages of his life, including the untimely death of his youngest son, and shares nostalgic pictures of the other 'leading ladies' in his life like Marlene Dietrich, Lauren Bacall, and Bridget Bardot. Kirk Douglas is an American legend—crowned as one of the greatest male screen legends in American film history by the American Film Institute. And, at 97, he is the highest ranked person on the list alive today. *Life Could Be Verse's* beautiful design makes it a keepsake for the myriad of Kirk Douglas' fans who have adored "Spartacus" for many, many decades.
