Help Me With My Doubt: Welcome to Oh God, Please Help Me with My Doubt. The book you're holding in your hands will help you capture and subdue the voice of doubt, whose goal is to eat away at your faith until nothing is left but bitterness and disillusionment. In the first section of this book, you will learn to recognize God's voice. You will develop the ability to hear Him when He responds to your prayers. Then you will learn what to do when God doesn't respond, when you are faced with His silence. While wrestling with the silence of God, you will discover five keys you can use to delete doubt from your prayer life. Then you will visit with the Israelites as they camped on the out- skirts of the Promised Land and see what occurred when God's people applied or did not apply these keys to their lives. Then before this book comes to an end you will examine several doubts one at a time. Together we will define, dissect, and then defeat each one. My prayer is that by the time you complete this book you will have experienced God's removal of most, if not all, of the doubts that infect your prayers.
