## **Olympia** Voltaire

François-Marie Arouet wrote under the nom de plume of Voltaire, and produced works in almost every literary form, including plays, poems, novels, essays, and historical and scientific works. "Yet it is too soon. When I possess the crown, your faithful eyes Shall be the witnesses of all my deeds. Stay in this porch, the priestesses to-day Present Olympia to the powers divine: This day in secret she must expiate, Sins which are even to herself unknown. This day a better life I shall begin. O! dear Olympia, may you never know The heinous crime that's hardly yet effaced, To whom your birth you owe, what blood I've shed."
