## **Political Grace: The Revolutionary Theology of John Calvin** Roland Boer

In this exploration of John Calvin's political thought, Roland Boer treats Calvin as a biblical scholar and political philosopher, showing us elusive aspects of Calvin's *Institutes*. Boer investigates Calvin's careful thinking in the *Institutes* as well as in his biblical commentaries, pursuing Calvin's understanding of political freedom.

Boer also explores Calvin's views on grace with the eye of a careful interpreter, and suggests what we might find in Calvin's political thought if we took the Bible, grace, and freedom as seriously as Calvin did.
