Sean O'Brien

**The Drowned Book: Picador Classic** Sean O'Brien

**With an introduction by Helen Dunmore**

*Come for a walk down the river road,  
For though you're all a long time dead  
The waters part to let us pass*

*The way we'd go on summer nights  
In the times we were children  
And thought we were lovers.*

*The Drowned Book* is a work of memory, commemoration and loss, dominated by elegies for those the author has loved and admired. Sean O'Brien's exquisite collection is powerfully affecting, sad and often deeply funny; but it is also a dramatically compelling book - disquieting, even - and full of warnings. As the book unfolds, O'Brien's verse occupies an increasingly dark, subterranean territory - where the waters are rising, threatening to overwhelm and ruin the world above.

Winner of both the T. S. Eliot and Forward prizes, *The Drowned Book* is an extraordinary collection, a classic from one of the leading poets of our time.
