Every novel in this collection is your passport to a romantic tour of the United States through time-honored favorites by America's First Lady of romance fiction. Each of the fifty novels is set in a different state, researched by Janet and her husband, Bill. For the Daileys it was an odyssey of discovery. For you, it's the journey of a lifetime. Your tour of desire begins with this story set in Virginia.

"To hell with the rules!" Cole said. His smile was mocking. "We've been here together for only one day and we're already on the verge of breaking rule number one- no sex." Crimson flamed through Lacey's cheeks. Why had she involved herself in this situation? Why had she agreed to share the beach house with Cole? She must have been crazy! She was crazy to stay with him, Lacey told herself. But she just couldn't leave. She was dangerously, irresistibly attracted to Cole-and they both knew it!
