**Niente da nascondere (Italian Edition)** Francesco Casali

Questo libro non nasconde nulla. Fin dalle prime righe il lettore capisce che non ha scampo, si parla proprio di quello: del dolore mentale.

In tutte le sue versioni e interpretazioni, innescato dalle cause più varie, come compagno di strada fin da bambino, oppure incontrato lungo i tornanti della vita adulta in genere lungo il sentiero della passione amorosa che il più delle volte lo precede e ne rappresenta l'anticamera con l'incantesimo dei suoi piaceri. L'autore suggerisce implicitamente di non distrarsi affatto, ma di godersi la solitudine dolente e creativa dedicata all'immaginazione, alla nostalgia, al sogno, alla fantasia ad occhi spalancati che guardano il vuoto accettando fino in fondo la delusione e il rimpianto, la rabbia e la costernazione per l'ingiustizia subita, la perdita insensata, la rottura del progetto incompiuto.

Prefazione del Prof. Gustavo Pietropolli Charmet.
