The need to outgrow one's childhood influences and establish an individual identity is common to us all, but for Christopher Milne it was an especially difficult experience in view of the unique problems he faced as the son of A. A. Milne. In this warm, honest, and often amusing autobiography, he traces the path which, after several wrong turnings, ultimately led him and his wife, Lesley, to establish the successful Harbour Bookshop in Dartmouth - a path which led not to spectacular achievements, but to modest success and contentment.

Wise, humble, and philosophical, *The Path Through the Trees* is Christopher Milne's search as a young man for his own place in life, told with the same sincerity and vividness that distinguished his first book, *The Enchanted Places*.

'... it is readily, and with the utmost pleasure, I give this alpha-plus.' *Bookseller*

'... it has great charm, and is most enjoyable.' *Daily Telegraph*

'An irresistibly attractive candour informs this book.' *Economist*
