"Woo hoo, the girls are back for the fifth instalment of sun, fun and adventure. This time they are hitting the centre of party land....Ibiza! When I saw the title I laughed and tried to imagine what exploits they could be getting up to!! This series is consistently brilliant and so well written. I love how each part of the series unwraps another aspect of the characters and who they really are. I am loving seeing them develop and wish I had gone to uni, made friends like them, and gone off travelling" *Jill Loves to Read*

"I love Aimee Duffy's Summer Flings series more and more with each new novella. I said the same about Point Us to Paris but Ibiza Insanity was absolutely my favourite! This had everything I wanted to see and really developed the plot and characters further to the point where with only two novellas left, I've no idea how things are going to work out" *Reviewed the Book*

"These books are fun, flirty and full of graphic and very hot sex that would get a Nun going ... I'm actually going to be pretty gutted when the series is over, it's been a lot of fun so far and I can't recommend it enough." *Book Addict Shaun*

Part 5 of Summer Flings - a fun, flirty and laugh out loud rom com series of short stories.

After their not-so-relaxing week in the sun, the girls are off to the clubbing capitol of the world to let off some steam.

Skater boys, Ibiza's Next Top Model competition and skimpy gold bikini's don't compare to the man Ciara's desperate to cheer up. She's beginning to realize her summer fling isn't as uncomplicated as it should be.

To make things worse, she finds out that her best friends are keeping secrets from her that could change everything...

The ideal summer treat for those relaxing days soaking up the sun!
