The horrors are all in your mind!

Craig Horsey's first visit to a therapist is hardly what he expected. Dr. Krone's unorthodox treatment begins by hooking Craig up to a device the doctor claims can take him back to relive the memories of his past and mend his damaged psyche.

But instead the machine taps into Craig's worst subconscious fears. Monsters, madmen and incredible terrors now turn his past into a nightmare. To survive the sadistic game, Craig must somehow uncover the truth about Dr. Krone and escape the machine while battling deadly visions determined to steal his sanity—and his life. Only one thing is certain: If he dies in his mind, he'll die in reality.
