Reasons (Continuum Ethics) Eric Wiland

When we say we 'act for areason', what do we mean?

And what do reasons have todo with being good or bad?

Introducing readers to afoundational topic in ethics, Eric Wiland considers the reasons for which weact. You do things for reasons, and reasons in some sense justify what you do. Further, your reasons belong to you, and you know the reasons for whichyou act in a distinctively first-personal way. The book lays out andcritically reviews some of the most popular contemporary accounts of howreasons can function in all these ways, accounts such as psychologism,factualism, hybrid theories, constitutivist theories, and finally Anscombeanviews of reasons. *Reasons* also includes a brief guide to furtherreading to help readers master this important topic in contemporary writing inethics and the philosophy of action.
