**Saved by the Monarch (Defending the Crown)** Dana Marton

For Prince Miklos, a royal wedding was a royal duty, one more step toward saving his beloved, beleaguered country. Unfortunately, his chosen bride-to-be—beautiful, brainy Judi Marezzi—didn't realize that her vacation included an arranged marriage. In fact, from the moment they met, nothing went as planned. A dangerous conspiracy threw him and his princess together and dragged the ill-matched pair off to an Alpine prison. With his military training, Miklos took charge and made plans to bring them to safety. Danger surrounded them, but so did a shared passion—for his kingdom, for the honor of a free land and for a love that had been foretold since birth.
