The Ethical Foundations of Social Work

Stephen Cowden, Annie Pullen-Sansfacon

The Ethical Foundations of Social Work Stephen Cowden, Annie Pullen-Sansfacon

The Ethical Foundations of Social Work provides you with an engaging, theoretical and practice-based grounding in social work ethics. The authors first examine when, how and why principles and debates historically emerged, then explicitly map them onto everyday ethical challenges and situations in social work practice. As a result, the book promotes an ethically *conscious* approach where principles can be flexibly and confidently applied as tools to help you with critical problem solving.
