One nation, *under God*.

Religious liberty isn't a principle for Americans alone, though it certainly has played an important role in the history of the United States. Religious liberty is a matter of authority and allegiance for people of every land. To whom one owes ultimate allegiance is a matter of the conscience, and one that should be protected in every nation.

*But what if religious liberty gives way, and church's are faced with the difficult decision between allegiance to their country and allegiance to their conscience?*

Editors **Russell Moore** and **Andrew T. Walker** of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issues with a gospel-centered perspective. *The Gospel for Life* series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.
