Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL- Datenbank (German Edition)

Andre Hiller

Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL-Datenbank (German Edition) Andre Hiller

Studienarbeit aus dem Jahr 2001 im Fachbereich Informatik - Wirtschaftsinformatik, Note: 1.0, Hochschule Anhalt - Standort Bernburg (FB Wirtschaft), Veranstaltung: Management/Organisation, Sprache: Deutsch, Abstract: Als erstes werden wir das Workflowprogramm PowerWork vorstellen und wichtige Begriffe, wie z.B. SQL – Server, Exchange Server und Schnittstelle, die mit diesem Programm im Zusammenhang stehen, erklären.

Außerdem stellen wir die zur Lösung der Aufgabe verwendeten Programmiersprachen VisualBasic für Applikationen (VBA) und die Abfragesprache SQL vor.

Anschließend werden wir den Aufbau einer Software – Schnittstelle von PowerWork 4 zu einer SQL – Datenbank, die mit Hilfe von VBA programmiert wurde, beschreiben.

Danach möchten wir zeigen, warum diese Erweiterung der Verwaltungsformulare einen Nutzensgewinn für das Unternehmen darstellt und wie dadurch Geschäftsprozesse, die mit Hilfe von PowerWork verwaltet werden, optimiert werden können.

Zum Schluss wollen wir am Beispiel des Geschäftsprozesses "Schadensmeldung" erklären, wie man diese Schnittstelle in einem PowerWork – Formular verwenden kann.

From reader reviews:

Jesse Nance:

Throughout other case, little people like to read book Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL- Datenbank (German Edition). You can choose the best book if you want reading a book. So long as we know about how is important the book Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL- Datenbank (German Edition). You can add information and of course you can around the world with a book. Absolutely right, mainly because from book you can recognize everything! From your country right up until foreign or abroad you will be known. About simple point until wonderful thing you are able to know that. In this era, we can open a book or perhaps searching by internet system. It is called e-book. You should use it when you feel fed up to go to the library. Let's read.

Beverly Dyar:

In this era globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. Often the book that recommended for you is Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL- Datenbank (German Edition) this reserve consist a lot of the information on the condition of this world now. This kind of book was represented so why is the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The writer made some study when he makes this book. Here is why this book suited all of you.

Deborah Mazzarella:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book was rare? Why so many query for the book? But any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book and also novel and Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL- Datenbank (German Edition) as well as others sources were given knowledge for you. After you know how the truly great a book, you feel would like to read more and more. Science publication was created for teacher or perhaps students especially. Those ebooks are helping them to put their knowledge. In some other case, beside science reserve, any other book likes Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL- Datenbank (German Edition) to make your spare time much more colorful. Many types of book like this.

Randall Barbee:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real

their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Entwicklung einer Software-Schnittstelle vom Workflowprogramm PowerWork 4 zu einer SQL-Datenbank (German Edition) can make you really feel more interested to read.
