How to Rob an Armored Car Iain Levison

In a dying Pennsylvania coal town, three friends are looking for a way out. Mitch is a rebellious malcontent whose bad attitude gets him fired from a chain big box store. Doug can identify any pill by sight and any '80s rock song by the first three notes but doesn't understand credit scores. Kevin got married and had a kid too soon and is now on parole after serving jail time for growing marijuana. The three of them dabble in petty crime and believe they have a talent for it. They start by stealing a high-definition TV, then set their sights on bigger scores. Soon things begin to get out of hand.
