The Marriage of Sticks Jonathan Carroll

After a high school reunion, a woman loses her grip on reality

Miranda marches into her high school reunion with the confidence of a professional at the top of her field. But inside she is lost, disenchanted with her career, and as alone as a person can possibly be. As a teenager in Crane's View, she fell in love with unrepentant bad boy James Stillman, and though they never slept together, he thrilled her as no man has since. She returns to her hometown hoping to reconnect with him, but learns at the reunion that he was killed in a car crash years ago.

In the weeks that follow, Miranda is haunted by visions of the past. First she sees James, alive and healthy, and more chilling hallucinations follow. Seeking distraction, she dives into an ill-advised love affair that turns darker than she could ever imagine. To find peace, Miranda must learn to walk the razor-thin line that separates this world from the one that follows.
