**The poetry of John Milton** John Milton  
HERE lieth one who did most truly prove,  
That he could never die while he could move,  
So hung his destiny never to rot  
While he might still jogg on, and keep his trot,  
Made of sphear-metal, never to decay  
Untill his revolution was at stay.  
Time numbers motion, yet (without a crime  
'Gainst old truth) motion number'd out his time:  
And like an Engin mov'd with wheel and waight,  
His principles being ceast, he ended strait.
