A new, more dangerous vortex has opened in the besieged Earth and the innocent souls of animals are being invaded by the malevolent strength of a powerful demon. For Ginny Jones, there can be no greater wrong--and to make it right, she joins forces with the Lemurian, Alton, a hard-bodied hero not of her world. Under a black moon, pitched battles for the survival of all that is good will be fought once more. The heat of their sensual passion emboldens the two warriors. . .but such passion may well betray them. . .

Yet Alton is willing to make the ultimate sacrifice--life itself--for the human woman he loves. But time is fast running out. . .and time, like fire, devours all. . .
