Israel Since the Six-Day War: Tears of Joy, Tears of Sorrow Leslie Stein

Completing his acclaimed trilogy on the history of Israel, Leslie Stein brings readers right up to contemporary events in *Israel Since the Six-Day War*. Stein vividly chronicles Israel's wars and military engagements, but he also incorporates fascinating assessments of many other issues, including Israel's economic development, the nature of the PLO and Palestinian Authority, and Israeli settlements in the West Bank and Gaza. Furthermore, Stein explores broader social issues, such as extremist Jewish movements and the varying fortunes of migrants from Russia and Ethiopia, to convey clearly a sense of the diversity and complexity of modern Israel.

Wide-ranging and judicious, Stein's cogent and compellingly readable account of Israel's recent past will engage students and general readers alike.
