*"We could get into Europe this season or we could get relegated—that's why I support City." —Noel Gallagher*

Up one season, down the next—there's never a dull moment at Manchester City and no football club's profile has become higher than City's since the takeover by Middle Eastern investors in 2008. The millions of pounds they have spent on world superstars—and allegedly billions offered to others—has kept the media at the Eastlands doorstep on a daily basis. Their loyal fans have ridden the roller-coaster of English football's wildest ups and downs for so long they hardly know which division they're in, yet they keep coming back for more. It's all recorded here, a selection of the wit and wisdom from the great characters who have been associated with the club. From managers, such as Malcolm Allison and Roberto Mancini, to fans such as the Gallagher brothers, to voluble players such as Francis Lee, Dennis Tueart, Rodney Marsh, and Carlos Tevez—here are more than 180 funny and biting quotes for the avid fan of "the only club in Manchester."
