Autumn Leone travels to India to find answers about her unique ability to see into other's minds. But instead of answers she finds love. It takes one night of passion to fall for Jet Stark, whom fate had sent her half way around the world to meet. But, too soon, Autumn is to fly back to Australia and out of his life.

When Autumn bumps into Jet back in Australia after five long years apart, it's difficult to dispute fate's intention in crossing their paths not only once, but twice. Autumn knows it is a risk to fall for an old fling, especially because Jet now happens to be rich, her new boss, and involved with another woman.

But a connection like theirs proves impossible to sever.

Reunited with the only man she has ever truly loved, Autumn thinks their relationship is flawless. But she fails to see that Jet is hiding secrets from his past. Secrets, which threaten to fracture not only their love for one another, and her career, but also her relationship with her family.

Will the truth about her gift and their unbelievable history be revealed in time before Autumn loses all she cares about? And will the truth be enough to mend old wounds?
