*Some men can't be tamed...*

Domesticity can starve a man's soul, and drifter cowboy Luke Griffin believes in absolute freedom. His gig at the Last Chance Ranch will end soon, and he'll move on. But then Luke gets splashed by a green energy drink from a platform in a tree, and suddenly things get complicated.

Naomi Perkins was studying the nesting of a rare pair of bald eagles when she accidentally "baptizes" the delish cowboy. And when his shirt comes off...good morning, libido! But this attraction isn't just mutual—it's fierce enough to send them both tumbling into a no-strings fling.

It's a temporary arrangement, even if it *is* way more intense than anything Naomi could have imagined. But when the time comes, will she be able to let this wild cowboy go?
