## **El violín de Ada (Ada's Violin): La historia de la Orquesta de Reciclados del Paraguay (Spanish Edition)** Susan Hood

De la autora ganadora de premios Susan Hood y de la ilustradora Sally Wern Comport, llega la extraordinaria y verídica historia de la Orquesta de Instrumentos Reciclados de Paraguay, una orquesta compuesta por niños que tocan instrumentos hechos de basura reciclada.

From award-winning author Susan Hood and illustrator Sally Wern Comport comes the extraordinary true tale of the Recycled Orchestra of Paraguay, an orchestra made up of children playing instruments built from recycled trash.

Ada Ríos creció en Cateura, un pueblo pequeño en Paraguay construido alrededor de un vertedero. Soñaba con tocar el violín, pero con escasos recursos para poco más que lo esencial, nunca fue una opción...hasta que un maestro de música llamado Favio Chávez apareció. Él quiso darles a los niños de Cateura algo especial, así que les construyó instrumentos musicales hechos de materiales encontrados en la basura. Era una idea loca, pero una que dejaría a Ada—y al pueblo entero—cambiados para siempre. Hoy en día, la Orquesta de Reciclados toca alrededor del mundo, difundiendo su mensaje de esperanza e innovación.

Ada Ríos grew up in Cateura, a small town in Paraguay built on a landfill. She dreamed of playing the violin, but with little money for anything but the bare essentials, it was never an option...until a music teacher named Favio Chávez arrived. He wanted to give the children of Cateura something special, so he made them instruments out of materials found in the trash. It was a crazy idea, but one that would leave Ada—and her town—forever changed. Now, the Recycled Orchestra plays venues around the world, spreading their message of hope and innovation.
