Facing the Son: Eliminating the Spiritual Light Blockers in Your Life Kristin Warner Belcher

Kris Belcher knows firsthand how difficult it is to live in darkness. When blindness blocked her access to physical light, she discovered that spiritual light was her only means of survival. But access to spiritual light is directly connected to the state of our hearts, and life is full of spiritual light-blockers in the form of everyday emotions, attitudes, and behaviors that can cloud our vision and become obstacles to the Spirit. Our own personal set of light-blockers might include fear, discouragement, exhaustion, and overwhelming demands. Distorted images of ourselves, regrets, and feelings of inadequacy can also cause the Spirit to gradually fade from our lives. Using gospel principles and applications from the scriptures, Kris offers suggestions for overcoming these light-blockers, allowing us access to greater spiritual light in every aspect of our lives.
