The Courtship Charade

As a draftswoman in a man's world, Jessica Sinclair causes a stir as her new male colleagues vie for her attention. And the company manager has an ultimatum: fake a courtship with her boss, Flynt Kavanaugh...or lose her job. But pretending to be smitten with the handsome engineer unleashes a real, complicated attraction—and could reveal the past she hoped to keep hidden.

Jessica is certainly the best person for the job. But as their make-believe romance escalates, Flynt knows that's not the only reason he wants her on his team. However, with his past shrouded by a shameful secret, Flynt has always focused his ambitions on building a career, not a family. Now he has designs on Jessica's heart, but can they trust each other with the truth?
