A journal-style book containing inspirational messages from Pope Francis—*Time* magazine's Person of the Year for 2013

Only a little over a year into his papacy, Pope Francis is being hailed by the news media, Christians, and non-Christians alike as a refreshing figure in the Vatican. His humility, piousness, and forward-thinking ideas have been celebrated around the world.

Reflections from Pope Francis features brief excerpts for reflection from Pope Francis's homilies, speeches, and addresses—along with invitation to prayer, writing, and action in a unique “journal style” book with space on each page for the reader to write down their own reflections on the powerful messages contained within each page. Complete with a focusing statement and scripture passages that introduce and summarize the theme of that page's reflection, these excerpts highlight important themes for humanity—such as care for the poor, mercy, forgiveness, and brotherhood.
