600 GRE Vocabulary Words You Need to Know!

The Knowsys GRE Vocabulary Flashcards will help you maximize your score on the GRE in just a few minutes a day!

To help you maximize your score, you need to know the words that are tested (and missed!) most frequently AND you need a way to master them as quickly and easily as possible. Fortunately for you, Knowsys has exactly what you need!

Just the vital vocabulary words!

Knowsys has the top 600 GRE words that you need to know. . . . Some GRE Vocab lists have 1000, 2000, or more words! Get real! Even if you looked at every single released GRE exam from the last 10 years, you would not find that many tested words all together. You have a limited amount of time, so you need to learn the words that are tested most often.

Knowsys gives you the words that are frequently tested and missed and ONLY those words! The Knowsys GRE Vocabulary Flashcards list is not padded with extra words that are obscure to rack up our numbers and waste your valuable study time and energy. We know that the best way to raise your score is to be prepared for what actually gets tested (doing anything else is like studying Calculus to prepare for an Algebra I exam . . . It just doesn't make sense!).

The fastest way to learn!

Knowsys groups the words into thematic categories to help you learn faster using synonym groups like "uncertainty" and "criticism" and "language." Not only does this method help you master the words faster, but it also helps you get the words into your long-term memory!

The Knowsys cards give you the control. You use Knowsys's proprietary Memory Box System to track your learning progress so that you only spend time working on words that you have not yet mastered.
