Love Your Leftovers: Through Savvy Meal Planning Turn Classic Main Dishes into More than 100 Delicious Recipes Nick Evans

Nick Evans runs the popular food blog macheesmo.com, and he came up with a simple yet effective concept for everyday cooking: Create one foundation dish, in decent quantity, when you have the time--perhaps on a lazy Sunday afternoon--and then repurpose it to make other delicious dishes throughout the week. Cooking this way saves time and money and allows busy people to eat well every night.

Love Your Leftovers includes breakfast, lunch, dinner, and dessert options as well as a wide range of cuisines. Each main dish will have eight to ten creative recipes for leftovers. So, if you make a Roast Chicken one night, you can then make Chicken Tortilla Soup, Creamy Chicken Pesto Pasta, or Chicken and Dumplings another night. A Flank Steak can morph into Spicy Beef Wontons or Vietnamese Noodle Salad. Spicy Black Beans can become Black Bean Burgers or Crunchy Black Bean Tacos. *Love Your Leftovers* will also feature chapters on kitchen and pantry basics and Meal Planning 101, as well as a helpful index of vegetarian and thirty-minute meals.
