*Love thy sexy jerk of a neighbor...*

CEO Michael Anderson *might* be something of a "control freak." Still, he's not quite sure why his therapist thinks dogsitting will fix anything?especially since he and the canine share a kind of mutual loathing. And to make matters worse, a house sitter moves in next door disrupting his peace-and his dates-with the worst possible music at the worst possible time... every time.

Free-spirited artist Mia Argaropolis has settled into the perfect gig-housesitting in NYC's Upper West Side while working as an art therapist. Too bad she's stuck living next door to a bossy control freak with a penchant for calling building security when she blasts music to drown out the noises coming through his bedroom wall.

Post-apocalyptic dinner rolls that nearly take her kitchen with them, a douchebag ex, and a Shih Tzu with the personality of Godzilla attack Mia in one day, and her unlikely neighbor comes to the rescue. Like it was *her* fault. And now, somehow, they find themselves engaged? Both agree, this neighborly feud just got taken to a whole new level.
