The most powerful force in a young person's life is his or her family. The importance of this is pointed out in the writing of the Torah in Deuteronomy 6:4-9, where believers are mandated to pass their family legacies to the next generations. The newest trend in youth ministry today is a very healthy move toward family-based ministry, a mind-set that helps the church act as a support system, while placing discipleship and training back into the hands of family. *Partnering with Parents in Youth Ministry* will help youth workers understand their unique role in helping families succeed and will give an overview strategy of family-based youth ministry, as well as practical ideas on implementing this awesome ministry in your church.
