**Surviving is worse than death...**

As the first days of the end of humanity tumble across the city of Las Vegas in the form of an overwhelming viral infection, turning almost everyone into vampire-like creatures, April Tate will find out what it really means to survive. What does it take to make it out alive in a place where everything is but a withered echo of its former self, and death does not come willingly?

You are therefore out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

#### **Thomas Daniels:**

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Resonant (Reign of Blood Prequel) can make you sense more interested to read.
