So Many Moving Parts Tiffany Atkinson

So Many Moving Parts, Tiffany Atkinson's third collection, is an eccentric 21st-century meditation on the awkwardness of body and spirit and their unexpected, often unwanted intrusions into the business of everyday life. Lyrical and experimental by turns, these poems push familiar events - commuting, telephones, babysitting, foreign travel - to open out toward unanswerable questions and elemental connections with an unstable physical world. A cast of real people observed over a year reveal momentary dramas as in a series of sketches, and the poet turns an ironic, unflinching eye on her own generation's transition from youth to middle age. Bold, wishful, ambivalent, sometimes even grudgingly affectionate, the collection is a spiky celebration of the almost invisible revelations that insist when you only look closely enough. Poetry Book Society Recommendation.
